

National Regulations France

ANR is funding all 8 activity lines with no priorities.

The general guidelines for the French partners can be found, in French, on ANR website (<http://www.agence-nationale-recherche.fr/programmes-de-recherche/appels-a-projets/>). The same rules apply to the transnational as to the national calls opened by ANR.

Generally, the terms and conditions for the French participants follow the generic Terms and condition of funding available in French language on ANR web site (<http://www.agence-nationale-recherche.fr/documents/uploaded/2007/reglement-modalites-attribution-aide.pdf>).

Eligible Participants:

This EMIDA Joint Call addresses all French researchers from research organisations, associations or companies. There must be at least one research organisation (university, public institute...) in the whole consortium.

Eligible costs are costs which are necessary for carrying out the approved project proposed, insofar as their amount is appropriate and justified.

For all further information please refer to the national contact point:
